# FOREWORD

---

Dear Friends:

November 9th, 1946 is an important day at Cherry Hill. It is our first opportunity to submit for your appraisal the work which we are doing. You will be able to judge what progress we have made and weigh the merits of our herd sires and matrons. Among them many of you will recognize animals of your own breeding and thus can share with us whatever success we may achieve. We have studied pedigrees, scrutinized conformation, delved into genetics, been fussy about color, explored breed characteristics, dwelt on fecundity and demanded prepotency. We have worked, worried, schemed and dreamed. But today we are happy. Raymon and Dorothy Duer have done a grand job. Claud Goltz, Johnnie Hudson, Ralph Study, Charlie Burline, and "Junior" Johnson have made a great team and contributed no small amount to the condition and health of the herd. All of us welcome you to Cherry Hill and hope that your visit will be pleasant, profitable and oft repeated.

J. and Harry Straus.

## **GUARANTEE**

All cattle in this sale will be sold under the standard guarantee endorsed by the American Shorthorn Breeders' Association. Certificates of registry and transfer will be furnished with each lot sold. Shipment will be made as soon as possible after the close of the sale without trouble to the purchasers, but at their risk of loss or injury.

### **Terms**

The terms of the sale are cash.

### **Health**

The Cherry Hill Polled Shorthorn herd is Federally Accredited for BOTH Tuberculosis and Bangs Disease. As a further health safeguard we have practiced calf-hood vaccination. Nearly all of the young cattle in the sale have been vaccinated for Bangs. Health Charts will be provided that will comply with the regulations existing in any state.

### **Headquarters**

We have not named any particular hotel as a headquarters for the sale because we want the sale headquarters to be at Cherry Hill Farm. Due to the shortage of hotel rooms, we ask that you allow us to make your reservations. Please let us know the number in your party so that we may make proper arrangements. Address H. L. Straus, Cherry Hill Farm, Reisterstown, Maryland.

We will not be responsible for accidents that may occur but we will do everything possible to provide for the comfort and safety of our guests.

**Cherry Hill Farm will pay up to \$100 freight on any carload of ten head or more of cattle purchased in this sale for shipment to one destination. Herd accredited for T.B. and Bang's.**

It may seem like "old stuff" to tell you about the way the Cherry Hill Polled Shorthorn Herd was founded . . . but I think you'll be interested because your future and the future progress of the breed is very dependant on just such herds. The records reveal that the top females that have been exposed for sale in the past five years have gone into the foundation of the Cherry Hill Herd. The records further reveal that each animal selected for this foundation was backed by ancestry that insured the ability to reproduce properly. Also revealed in the records is the fact that two of the most famous bulls in the land . . . EDELLYN ROYAL LEADER 2D and COLLYNIE COMPACT x . . . were secured to carry out a carefully planned breeding program. The results will be perfectly apparent to those who attend the First Annual Sale at Cherry Hill Farms on Saturday, November 9th. The pictures in this catalog provide a hint as to the kind of cattle you will be able to buy in this sale. There is a place in your herd for one or more of these cattle. This offering of seven bulls and thirty-three females is indeed a contribution to higher Polled Shorthorn standards.

—Hal Longley of *The Shorthorn World*.

**Polled Shorthorns** are the most profitable cattle for American farms. Here are a few in the pasture at Cherry Hill Farm.

*The Favorite Son of the  
All-American Favorite —*

We purchased Edellyn Royal Leader 2d because we wanted to infuse into Cherry Hill Polled Shorthorns the best blood of the Shorthorn breed. He is by the noted Edellyn Royal Leader by Coldoch Sensation. His imported dam is by Calrossie Sweepstake, he the sire of the Perth champion Imp. Royal Rothes. He has been mated to intensely bred polled females and the calves display the character, quality and style that we must have to carry Polled Shorthorns to greater heights.

We searched the Country for a bull that measured up to our specifications for type and conformation and that was bred to reproduce the polled characteristic. We found him in Collynie Compact x. He combines the blood of two great improvers, King Collynie Jr. x and Daybreak's Collynie x. His calves are marvels for blockiness, shortness of leg and thickness of flesh. Be sure to see this bull and his calves on sale day.

**COLLYNIE COMPACT x — An informal snapshot**

**COLLYNIE COMPACT x**

Collynie Compact x excels in his blockiness, spread of rib, and fullness of quarters. Best of all, he has about the best head we have ever seen on a Polled Shorthorn bull. When we bought him, we felt that we were acquiring the best Polled Shorthorn bull in the land. We have never changed our minds.

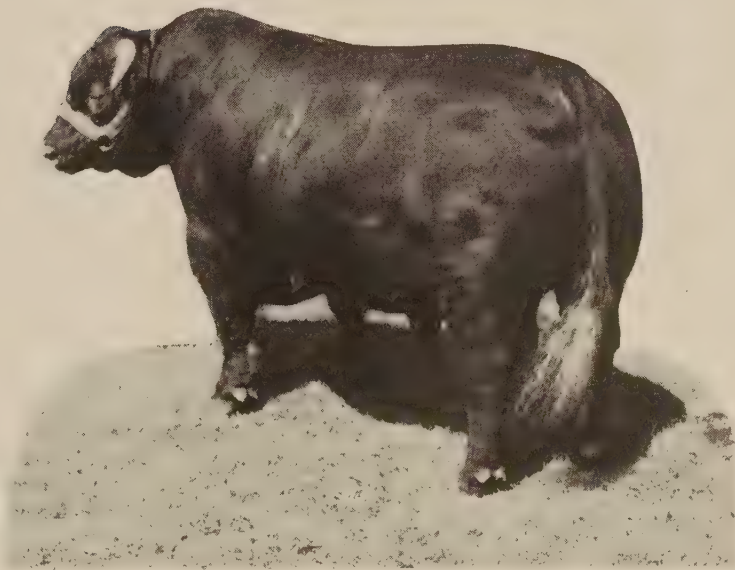

**EDELLYN ROYAL LEADER 2D**

Edellyn Royal Leader 2d is an individual of almost perfect form. Those who see him on sale day will be amazed at his width of front, strength of quarters and depth of body. He is transmitting all of his excellence to his calves and, best of all, each has inherited his marvelous head . . . minus the horns.
